Bay State Gas gained 1% per cent on the access of the revised Pipe Line bill in lassachusetts. While the advances in some f the stocks affected by favorable developments were sharp, the general market and of display a hearty response to bull ews.

The adverse action of the House on the inti-Bond bill was known from the opening of the market, and failed to make a marked effect upon values. The most disouraging feature of the market is the istless way in which good news is revieved and the quick response to bad news. Following are the sales of stocks and mange of prices:
